Subject: Permanent Display Authorization

Ladies and Gentlemen:

Attached is the authorization from Rich Hunziker, Sr. Buyer at Revco to assist you with gaining placement of the RJR counter displays.

This listing will correspond with the previous listing that was sent on April 24, 1997 and shows all manufacturers displays authorized based on location and counter size. For those of you with former Big B and Drugs for Less locations, please disregard this correspondence and follow previous communication for those locations.

Thank you all for your follow-through and should you have any questions, please call.

Sincerely,

Mitch
